Are the happy couple and/ or the wedding party part of the guest count?

Yes, you have space for 20 people only including family, friends, children, wedding party and the happy couple!

How do we book?

The Buffalo and Erie County Botanical Gardens will facilitate your booking. Once a time and date are selected we will provide you with a contract and an online payment. You will need to pay a 50% nonrefundable deposit to reserve a time slot. The balance is due 10 business days before the date of your reservation.

After your contract and deposit are made we will help you choose your wedding cake and create a checklist for the day of your event.

Do you provide the marriage license?

We do not provide the marriage license; you will need to contact the City of Buffalo Court Clerk to apply for the license. You must also bring the license at your time of reservation.

If we have less than 20 people does it change the price?

The price remains \$1,500 for the reservation regardless of the guest count. We charge by the reservation, not by the guest count.
