The Pearl Valley Cheese Fundraiser Program has been a great success for many groups over the years. All of the cheese are 12-ounce pieces that are freshly cut and vacuum-sealed at our factory in Coshocton County Ohio. Our founder, Ernest Stalder, was a Swiss immigrant who started making cheese here in 1928 and his family has continued that tradition ever since. Now in our fourth generation of cheesemakers, we focus on making the highest quality Swiss and Colby-style cheese. We will always value our close relationships with the farmers who provide our milk and our many customers who support us every day.

- Thank you & enjoy -
