

## HPM5000 Sunbeam Heating Pad Multipurpose - Standard size

Product Name	Sunbeam Heating Pad Multipurpose - Standard size
Model Number	HPM5000
Short Description	A compact design heating pad that delivers fast, soothing heat to be used in your shoulders, back, neck, arms and legs. Featuring an easy-to-use controller, customise treatment with 5 different heat settings and 3-hour auto off.
Long Description	Apply gentle warmth while you relax and ease muscle tension right where you need it. The Sunbeam electric heating pad helps provide direct, calming heat anywhere on your shoulders, back, neck, arms, and legs. This multipurpose heating pad combines the benefits of soothing heat and the comfort of soft fabric. Get your preferred intensity from 5 heat settings with fast heat-up and consistent temperature, so you can put your feet up as you rest and recover.
EAN	9313139333750
Key Feature 1	FOCUSED HEAT, MULTIPURPOSE USE Apply gentle heat and relieve tension from sore muscles where you need it – particularly on common sore spots such as the shoulders, back, neck, arms and legs.
Key Feature 2	CONSISTENT HEAT WITH INTELLISENSE TECHNOLOGY Keeps heat pad temperature consistent and prevents overheating so you can relax and be comfortable
Key Feature 3	SAFETY AUTO-OFF The heating pad automatically shuts off after 3 hours for your safety and peace of mind.
Key Feature 4	STAYS IN PLACE: Designed with a convenient fabric sleeve to help keep the heating pad in place when being used for arm or leg muscles
Key Feature 5	5 HEAT SETTINGS, FAST HEAT-UP Using the easy-to-use digital controller, select preferred heat level and get heat-up in just 90 seconds.
Key Feature 6	COSY FABRIC, MACHINE-WASHABLE DESIGN Enjoy the soft fabric on your skin as you soothe your muscles. Made with easy-to-clean polyester, the heating pad is easy to wash. Simply detach controller and place in washing machine.
