LED VALUE WATTAGE SWITCH TRI CCT PANEL

LED VALUE WATTAGE SWITCH TRI CCT PANEL

The LEDVANCE Value Wattage Switch TRI CCT Panel family offers two wattages per fitting, each with three light colours thanks to easy-to-use dip switches, offering a choice 3000K, 4000K or 6500K. Achieving a high luminous flux of up to 3960lm (0312) with an efficacy of 110lm/W. The value panel range can be surface mounted, recessed or suspended making it the ideal replacement for traditional troffers fittings in commercial applications.

Multiple CCTs

Offers in 3 different CCTs to fulfill different application needs. (3000K/4000K/6500K)

Professional optical design

Professional optical designed for better uniformed distribution of light thanks to high quality LED chips

Applications

Suitable for offices, reception areas and corridors, meeting both commercial and domestic requirements

Easy installation

Whether installing within in a T-Bar ceiling or suspending, LEDVANCE WATTAGE SWITCH TRI CCT PANELS and accessories are designed for a quick and easy installation

High performance

High efficacy of up to 110lm/W offering substantial cost reduction thanks to LED technology

Lifetime

Long lifetime of up to 70,000 hrs implying over 15 years of use, if switched on for 12 hours a day. All LEDVANCE panels come with 5-year warranty or 70,000hrs as standard.
