Easy smart lighting

Add a White ambiance downlight with warm white to cool daylight to help you relax, read, concentrate, or energize. Control instantly via Bluetooth in one room or pair with a Hue Bridge to unlock the full suite of features.

Limitless possibilities

- Expand to a smart light system with the Hue Bridge
- Mount the dimmer switch anywhere

Easy smart lighting

- Get the perfect light recipes for your daily activities

Highlights

Expand with Hue Bridge

When connected to a Hue Bridge (*sold separately), your smart lights become even more versatile. Control your lights from anywhere inside and outside your home using just the Philips Hue app. Set timers, routines, and add or remove lights from your system.

Mount anywhere

The Philips Hue Dimmer switch functions as a normal wall switch and dimmer • but better. In addition to mounting with screws or strong adhesive tape, you can remove the magnetic control and carry it with you anywhere.

Get the perfect light recipes for your daily activities

Make your day easier and more pleasant with four preset light recipes handcrafted especially for your daily tasks: Energize, Concentrate, Read, and Relax. The two cool-toned scenes, Energize and Concentrate, help you get going in the morning or keep your focus, while the warmer scenes of Read and Relax help support comfortable reading or calm a busy mind.
