Kona Series

Kona Series

Derived from the Japanese word for corner, our Kona series is inspired by traditional Japanese design aesthetics and 'low living'. The Kona Bed is crafted from sturdy, FSC™ Mix certified oak veneer and features a low headboard and raised back panel. Use it either as a single bed or turn it into a luxurious daybed with our tailor-made Kona Mattress, which makes a comfortable, firm seat for lounging. Let it be accompanied by the simple and elegant Kona Low Table for a practical bedside stand or fully embrace 'low living' by using the Kona Low Table as a coffee table for when you're lounging on cushions or on the floor.
