RIGHT OF CANCELLATION

Private persons have the right to cancel within 14 days without stating reasons unless the goods are on sale. The cancellation right for goods on sale is 14 days.

The cancellation deadline shall be 14 days from the day on which you or a third party appointed by you, have or has taken possession of the last goods (14 days for goods on sale).

If you have ordered more items in one order and we are not able to deliver the goods at the same time, the right of cancellation runs from the time where you or another person of your choosing has the last goods in physical possession.

If the deadline expires on a national holiday, June 5, Saturday, Christmas Eve, or New Year's Day, the deadline is extended to the following business day.

Partial cancellation

As a rule, the right of cancellation only applies if the entire purchase is returned. However, we offer the possibility for you to return you purchase partially, i.e., if you bought a Wire Basket and a Plant Box and you wish to keep the Wire Basket but return the Plant Box. The procedure and terms are the same as when you cancel the entire order (see further information in the paragraph "Right of Cancellation"). However, in the case of partial cancellation, the freight charges will not be refunded.

How to make use of your right of cancellation

You can cancel the order by noticing us thereof. Please contact us via e-mail or telephone letting us know that you want to return:

E-mail: webshop@fermliving.com

Telephone: +45 7022 7523

You cannot use your right of cancellation by refusing to accept the goods at delivery, or by omitting to collect it, without at the same time letting us know that you wish to return.

The deadline for cancellation is kept if you notice us of the cancellation before the time limit expires.

Return of the goods and return costs.

If you have cancelled an order, you must send the goods to:

ferm LIVING A/S
c/o DSV Solutions A/S
Egeskovvej 6
Port 16-19
DK-8700 Horsens

without unnecessary delay and at the latest 14 days after you notice us of your cancellation. The time deadline is kept if you return the goods before the expiry of the 14 days.

The goods cannot be sent COD or without distribution.

Postage as well as any other expenses in relation to returning such as secure packaging must be paid by you. If a package is not picked up, we reserve the right to deduct the costs incurred by us from the purchase price before reimbursement. Please, be aware that some carriers charge a fine if the package is not picked up.

Upon return, you are responsible for wrapping the goods securely. You hold the risk of the goods as of delivery. You are responsible for the arrival of the package at our warehouse. We recommend using track and trace so that you may follow the shipment.

The return costs in Denmark until 2 kg are expected to be no more than 80 DKK if the goods are sent as a package. See more at Post Nord or GLS Denmark

Some goods cannot – due to their size – be sent by regular mail and will instead have to be returned via a special carrier. This goes for the most furniture such as shelving systems, desks, tables, side tables, chairs, sofas, daybeds, etc.

The cost of return with a special carrier usually starts at 300-400 DKK. The return cost depends on the goods' weight and volume, as well as the distance. Typically, there is a fixed price per kilometers. Please note that there may be a difference in price according to the chosen carrier. You can get offers on the price for returning your goods by contacting a carrier.

Standard cancellation form

(This form is only to be filled in and returned when the right to cancel is exercised.)

To:

ferm LIVING ApS
Kuglegaardsvej 1-5
1434 Copenhagen K.
e-mail: webshop@fermliving.com

I wish to make use of the right to cancel in a purchase agreement concerning the following goods/services:

Ordered, date: -----

Received, date: -----

Consumer's name: -----

Consumer's address: -----

Consumer's signature: -----

Date: -----

(Only if the content of the form is given on paper)

Refunds

When you use the right of cancellation for the entire purchase, we refund all payments from you, including any freight charges. However, if you choose a more expensive form of delivery than our standard delivery, we will not refund any additional costs associated with the more expensive form of delivery.

By partial cancellation, we don't refund the freight charges. We refund the amount without undue delay and in any case no later than 14 days from the date of receiving your notice. However, we reserve the right to hold the return payment until we have received the goods you returned, or you have presented documentation confirming that you have returned the items before we have received them.

We can withhold the reimbursement until we have received the refunded items, or you have sent documentation proving the return of the products.

We will complete such compensation via the same means of payment as you used for the original transaction unless you have explicitly agreed to something else. In any case, you will not be charged any fees because of the reimbursement.

Trying the goods and packaging

You are only liable for any possible decrease of the items' value caused by the handling of the goods other than what is necessary to determine the character and features of the goods, as well as the way it works. You may examine the goods in the same way as one can and may in a physical store, but you may not start using it, e.g. by removing any stickers or hang tags. If you have used the goods in a way that is not allowed in a physical store, causing that we cannot resell it or sell it at full price again, you must expect us to deduct the decrease of value from your reimbursement. If the goods no longer have market value, we will not reimburse your purchase.

Lacking original packing may constitute a decrease in value so to be certain to get a full refund it is recommended to return the goods in original packaging.

Furthermore, you should make sure that the goods are safely wrapped when returning it. You are responsible for the package/the goods until we receive them. Save the receipt of sending as well as track and trace number, if possible.

CLAIMS

If you purchase goods that have a defect the Danish Sale of Goods Act applies.

You can make your claim with 24 months from time of delivery by addressing us at Kuglegaardsvej 1-5, 1434 Copenhagen K, webshop@fermliving.com or +45 70 22 75 23. You must, however, always make your claim within "reasonable time" upon discovering the defect. We recommend that you file your complaint as soon as possible and within 2 months after noticing the defect.

The package must be sent to:

ferm LIVING A/S
c/o DSV Solutions A/S
Egeskovvej 6
Port 16-19
DK-8700 Horsens

We ask you to, as detailed as possible, describe the problem. If your complaint is legitimate, we will refund reasonable freight costs. If the claim is not valid, you will pay the delivery costs yourself, as well as the cost of re-delivery to you.

Remember that the goods always must be sent in secure packaging and to get a receipt of mailing. Save this receipt including information on freight cost, as well as any track and trace number.

When filing a complaint, you must give this e-mail address: webshop@fermliving.com
