Collect LIGHTING COLLECTION

With a seemingly infinite range of expressions, ferm LIVING's innovative and interchangeable lighting system allows you to create customised and contemporary looks in each and every room. Offered in a fully compatible series of multiple shapes and colours, COLLECT Lighting allows you the freedom to create beautiful lighting solutions: Simply select your favourite lampshade and pair with your chosen socket pendant, adding the series' decorative brass ring to complete the design.

Striking the perfect balance between classic and contemporary, iconic forms are reworked to modern sensibilities, rendered in quality materials in a range of subtle finishes and subdued, complementary colours. Illuminating your home in style, each interchangeable piece can be combined in personal ways to provide the perfect mix of ambient and directional light, whether primary light sources for functional use or subtle accents for decorative purposes.

Bring imagination to your rooms and create perfectly balanced contemporary lighting – whichever way you choose.

Life is full of contrasts

As we navigate expectations and dreams in the search for meaning and comfort, we long for a balanced life with room for chaos and calm, moments of reflection and times of joy. A place where we can be ourselves, realise the true value of things and feel at home.

Based on a passion for authentic design and clear functionality, we challenge ourselves to shape the future and take pride in creating products that help you balance the contrasts of life.

Our soft forms, rich textures and deep colours allow you to create an authentic and composed atmosphere, while avant-garde shapes, striking patterns and curious details add a touch of the unexpected.

From our base in Copenhagen, we work with artisans around the world, fusing our Scandinavian mindset with global skills and traditions. We take our responsibility to people and the planet seriously and expect the same of our partners.

We create collections of furniture, accessories and lighting, so you can create space to feel comfortably you.

Welcome home.
