Safety Information

Important Safety Instructions

Please read all safety and operating instructions carefully before installation and use, and keep these instructions handy for future reference. Take special note of all warnings listed in this user's manual and on the Hot Joe II.

1. **Attachments** - Do not use attachments that are not recommended by the manufacturer.
2. **Water and Moisture** - The unit should not be used near water. For example: near a bathtub, washbowl, kitchen sink, laundry tub, swimming pool or in a wet basement.
3. **Ventilation** - The unit should be situated so that its location or position does not interfere with its proper ventilation. For example, it should not be situated on a bed, sofa, rug or similar surface that may block ventilation openings. Also, it should not be placed in a built-in installation, such as a bookcase or cabinet, which may impede the flow of air through the ventilation openings.
4. **Objects and Liquid Entry** - Care should be taken so that external objects do not fall into and liquids are not spilled onto any openings or vents located on the product.
5. **Power Source** - The unit should be connected only to a power supply of the type described in the operating instructions or as marked on the unit. If you are not sure, please consult the dealer or local power company.
6. **Heat** - The unit should be situated away from heat sources such as radiators, heat registers, stoves or other appliances (including amplifiers) that produce heat.
7. **Servicing** - The user should not attempt to service the unit beyond those methods described in the user's manual. Opening or removing covers will expose you to dangerous voltage and other hazards. Service methods not covered in the user's manual should be referred to qualified service personnel.

Getting Started

Location of Main Unit Controls

1. LED indicators

2. Hands-free /
Power button

3. Volume - /
Volume +

4. Previous song /
Next song

5. Power ON/OFF
switch

6. 3.5 mm AUX
input

7. Micro USB port
for charging

Operational Instructions

Charging the Unit

1. Charge your unit through any Micro USB Jack or wall charger.
2. The LED indicator will turn red while charging.
3. Once the battery is fully charged the red indicator will turn off.

Note: Please charge the battery up to 4 hours before initial use.

Power ON/OFF

1. Slide the switch on the back of the speaker to the ON position.
2. Press and hold the power button until you hear a sound indicating the unit is ON and in Bluetooth pairing mode. The LED indicator will turn blue and will be blinking.
3. To power down your speaker, slide the switch on the back of the unit to the OFF position.

AUX Input

1. To Playback your music via the AUX IN port, plug a standard stereo headphone cable (3.5mm, not included) from your audio device to Hot Joe II and begin playback on your audio device.
2. To increase or decrease the volume, press VOL + and VOL – buttons.

Note:

- The Skip/Hands-free button does not work with external devices.
- The AUX input source will be automatically selected when the auxiliary cable is connected.
- Once the auxiliary cable is disconnected, the unit will switch back to Bluetooth mode.

Operational Instructions

Pairing Your Bluetooth Device

1. Turn the unit on. The Hot Joe II will beep and the indicator will turn blue and flash indicating the unit is in pairing mode.
2. Navigate to the Bluetooth menu on your device and begin searching for the available devices.
3. Select PWS02 from the list of results, and your device will begin to pair. If the unit asks for a code, please enter "0000".
4. Once connected, the speaker will beep and the blue indicator will stop flashing.

Music Playback Functions

- Press the Power button to Play and Pause the music.
- Press the Skip Buttons to skip to Next or Previous Song.
- Press the Vol+ or Vol - buttons to increase or decrease the volume.
- Press and hold the Power button to turn the unit to Standby mode.

Operational Instructions

Hands-free Speakerphone

Placing a Call

- To place a call, initiate the call from your Bluetooth connected phone and the call will automatically be routed through your paired Hot Joe II and the music will be stopped.
- When the call is terminated, the current music will be resumed. The call can also be terminated by pressing the hands-free button.

Receiving a Call

- Press the Hands-free button to answer the call on your speaker.
- Press and hold the Hands-free button to reject the call.
- To disconnect, press the Hands-free button again.

Troubleshooting

Symptom	Solution
No power	<ul style="list-style-type: none">- Recharge the battery.- Move the power switch to the ON position.
No sound	<ul style="list-style-type: none">- Raise the volume by pressing the VOL + button.- Make sure your device is connected to the speaker and playing music.- Raise the volume level of the connected device.- Set input source as AUX IN or Bluetooth mode.
Hands-free not working	<ul style="list-style-type: none">- Set to Bluetooth mode (Hands-free function is only available in Bluetooth mode)

Compliance with FCC Regulations

Caution!

The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

The equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate Radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to Radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to Radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from which the receiver is connected.
- Consult the dealer or an experienced Radio/television technician for assistance.

This equipment complies with FCC's RF radiation exposure limits set forth for an uncontrolled environment. The antenna(s) used for this transmitter must be installed and operated to provide a separation distance of at least 20 cm from all persons and must not be collocated or operating in conjunction with any other antenna or transmitter. Installers must ensure that 20 cm separation distance will be maintained between the device (excluding its handset) and users.

THE SPECIFICATION AND EXTERNAL APPEARANCE OF THE HEADPHONES ARE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE.

If at any time in the future you should need to dispose of this product, please note that waste electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority or retailer for recycling advice.

Warranty Information

Limited Warranty

The AT&T brands are used under license. Any repair, replacement, or warranty service, and all questions about this product should be directed to Concept 101 LLC at www.att.com/electronics or call 1 (888) 920-8680 from the USA or Canada.

Concept 101 LLC warrants to the original purchaser that the product will be free from defects in material, parts and workmanship for the period designated for this product. The warranty commences the day the product is purchased and covers up to a period of one (1) year. Concept 101 LLC agrees that it will, at its option, replace the defective product with either a new or remanufactured headset equivalent to your original purchase during the warranty period. Should the Parts warranty period exceed the Labor warranty period, Concept 101 LLC will supply at no charge for the remainder of the Parts warranty, any new or remanufactured replacement parts as required by the product. During this period all labor and service charges will become the responsibility of the customer.

Exclusions: This warranty does not apply to the appearance or exterior of the product which may have been damaged or defaced, altered or modified in design or construction. This warranty does not apply if the serial number is altered or removed, or if there is any damage due to power line surge, user damage to the AC power cord, connection to improper voltage source, general misuse, accidents, or repair attempts by unauthorized service agents. Other exclusions include ear pads, rechargeable and non-rechargeable batteries.

REPAIR OR REPLACEMENT AS PROVIDED UNDER THIS WARRANTY IS THE EXCLUSIVE REMEDY OF THE CUSTOMER; Concept 101 LLC SHALL NOT BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON THIS PRODUCT, EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW. ANY IMPLIED WARRANTY OF MERCHANTABILITY OF FITNESS FOR A PARTICULAR PURPOSE ON THIS PRODUCT IS LIMITED TO THE DURATION OF THE WARRANTY.

Some states do not allow the exclusion or limitations of incidental or consequential damages, or limitations on how long the warranty lasts. In these cases the above exclusions or limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

Warranty Information

Obtaining Service: To obtain service, product literature, supplies or accessories please call 1 888-920-8680, or visit our website, www.att.com/electronics, to create a ticket for exchange/repair. Please make sure to provide the date of purchase, model number and a brief description of the problem. Our customer service representative will contact you or send detailed return instructions.

Concept 101 LLC does not warrant that the unit will work properly in all environmental conditions, and makes no warranty and representation, either implied or expressed, with respect to the quality, performance, merchantability, or fitness for a particular purpose other than the purpose identified within this user's manual. Concept 101 LLC has made every effort to ensure that this user's manual is accurate and disclaims liability for any inaccuracies or omissions that may have occurred. Information in this user's manual is subject to change without notice and does not represent a commitment on the part of Concept 101 LLC. Concept 101 LLC reserves the right to make improvements to this user's manual and/or to the products described in this user's manual at any time without notice. If you find information in this manual that is incorrect, misleading, or incomplete, please contact us through our website.
