

# Hotel California

## Eagles

Tuning (G<sub>b</sub> D G B D)

*Tune the top string down 1/2 step.*

- This song is a great for any beginner or intermediate looking for a chord changing exercise!
- Listen to the song for when to switch between the **Verse** and **Chorus** sections.
- Feel free to use any roll pattern you like.
- For those of you who have [Winston Style](#), try to find all the inversions of each chord and create different ways to play each section!

### Intro/Verse

**Bm** **F#**

**A** **E**

**G** **D**

**Em** **F#**

### Chorus

**G** **D**
