Petite Knock Out® Rose

Light Preferences
Thrives in bright direct sun for 6–8 hours per day, so choose a sunny spot in your home or outside. Outdoors, this plant does best in temperatures above 60 degrees fahrenheit in zones 5–10.

Water Preferences
Water every 2–3 days or as needed. Allow potting mix to dry out at least two inches down in between watering sessions.

Sad Plant Signs
- Crispy leaves with dry soil: Too much direct light or not enough water.
- Yellowing leaves with wet soil: Plant is overwatered.
