Hoya

Origin: Asia, Polynesia, Australia

Light Preferences
Thrives in bright indirect light. Can benefit from a few hours of direct sun depending on the species.

Water Preferences
Water every 1–2 weeks, allowing soil to dry out between waterings. Expect to water more often in brighter light and less often in lower light.

Sad Plant Signs
Wrinkling leaves, dry potting mix: Thirsty plant, underwatered.

Yellowing and becoming mushy, wet potting mix: Root rot, overwatered.

Pet Parents
Most hoyas are pet friendly!
