Norfolk Island Pine

Araucaria heterophylla
Origin: New Caledonia, Norfolk Island

Light Preferences
Th�ves in bright indirect to medium light. Can benefit from a few hours of direct sun.

Water Preferences
Water every 1–2 weeks, allowing soil to dry out between waterings. Expect to water more often in brighter light and less often in lower light. This plant can benefit from extra humidity.

Sad Plant Signs

Crisping, curling needles: Thirsty plant, underwatered or low humidity.

Needle drop: Not enough light or thirsty.

Yellowing or rotting stems: Plant is overwatered.
