

## INSTRUCTIONS

1. Print this page, be sure printer is set to print at 100%.
2. Verify the page printed correctly by measuring a few shapes with a ruler to ensure they are accurate. You can also grab a quarter and place it on top of the printed quarter to the right to make sure both are the same size.

## FIND YOUR RING SIZE

1. Measure your finger in warm temperatures at the end of the day.
2. If your knuckle is a lot larger than the base of your finger, use **METHOD B**, except measure *both* the base of your finger and your knuckle *and* select a size between the two.

## IF YOUR BUYING THE RING AS A SURPRISE

1. Ask your intended recipient's mother or friend if they know his/her ring size.
2. Borrow one of your intended recipient's rings and use **METHOD A** below (Make sure to borrow a ring that fits the finger you intend your gift ring to fit.)

## OTHER TIPS AND INFORMATION

- When considering a wide band, move up a size from your measurement for comfort's sake.
- Different countries have different ring-size systems. All sizes listed here are to American Size Standards.
- The average woman's ring size is about 6. The average man's ring size is about 10.
- Your ring size will be about half a size larger on your primary hand (i.e. the hand you write with).

## METHOD A

Measure a ring that fits you or your intended recipient. Place the ring that fits over the circle making sure the *inside* of the ring lines up with the outside of the circle. If you are between sizes, order the larger size.

## METHOD B

1. Find a piece of non-stretchy string about 6" long or a strip of paper about 6" long and 1/4" wide.
2. Wrap it snugly around the base of your finger.
3. Using a pen, mark the point on the string or paper where it overlaps, forming a complete circle.
4. Compare the length of the string or paper to the lines on the paper below to determine your ring size. If you are between sizes, order the larger size.
