

# AUSTRALIAN LINEAR

## MODERN SLIMLINE FEATURE 1000-3000

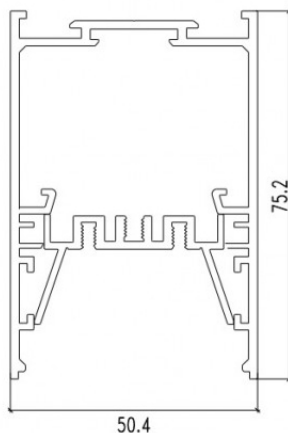

Crafted out of solid aluminium here in Australia, creating the perfect slimline feature light for modern minimalists. Featuring minimalistic wire suspensions that can be moved along the track, tailoring the light fitting to your space.

Using only 2 thin suspensions per meter, without the typical third wire

Pick your size, colour and LED light colour, simple and easy.

The amount of alternative colour options is endless, reds, greens, blues and metallic textures are all available, contact us if you have any specific requirements.
