

# BLOSSOM

## SLIM LINEAR 14 LIGHT

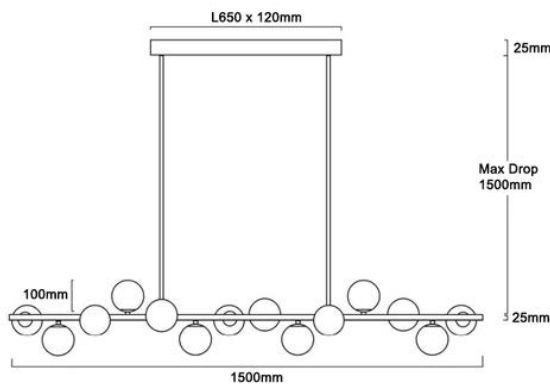

The Blossom Slim is our newest addition to the blossom range, taking the original blossom concept and elongating its shape and form.

Characterised by its modern contemporary slender design, with mouth blown glass globes positioned around the central body. It's designed to provide gorgeous ambient light, allowing premium features like island benches dining tables or work stations to be elevated.

Available in 3 colours, brushed brass with opal shades, black with opal shades or black with smoke shades, allowing it to blend in, contrast or complement existing elements within a space.
