

CANTOR

6 LIGHT ADJUSTABLE LINEAR

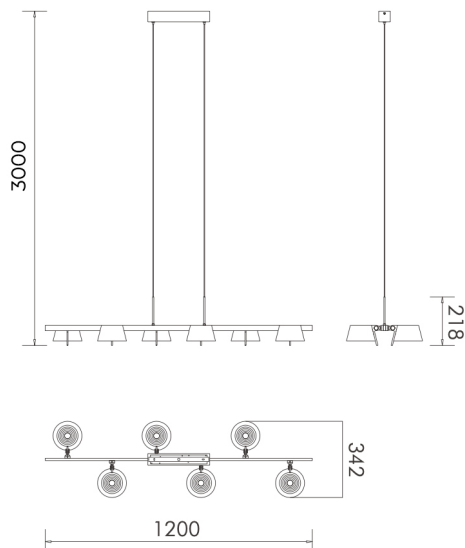

The Cantor, inspired by the cantor black, calla lily, with its unique 6 adjustable light arrangement situated across its prominent linear design. Each light is designed to provide effective direct illumination exactly where it's needed.

Its design works well within modern minimalist, industrial and contemporary spaces, in both residential or commercial environments.

This play on light helps develop the sense of depth in a space while offering a practical solution for rooms that adapt and evolve.
