

COOP

DUO ADJUSTABLE WALL LIGHT

The Coop Duo brings modern style and great functionality. A double adjustable (325°) wall light with in-built driver. Easy on/off switch makes this perfect for bedside locations or near living spaces. Available in white or black, single or double variants.

Characterised by its trending minimal design, shown in beautiful matt black or white finish. Ideal for bedsides. It captures the minimalist design and infuses a sophistication and ultra modern charm, that brings the COOP DUO above the rest.
