

FELTONA

35 SMART RGBCW LOW GLARE PENDANT

The Feltona RGBCW brings modern class, comfort and a practical touch of design to both modern and contemporary spaces.

Operate with home automation, Google or Alexa. Uses the popular TUYA app to control the colour, the colour temperature and the brightness.

Characterised by its unique tapered drum design, with matt sanded elements to show case its premium nature. Suited for dining tables, coffee tables and open plan living spaces requiring a circular low glare fitting.

Available in black or white, allowing the Feltona to blend in, contrast or compliment existing elements within a space.
