

HALO II

2 TIER 600+800

The Halo II double tier, brings ambience, comfort and adapts to the unique layouts of modern interiors. Delivering a single continuous halo of light, the Halo II can be hung in evenly spaced tiers which gives a balanced, uniform effect, or you can arrange the cable lengths to create a unique sculptural centre piece.

Combined with triac dimmable LED power supply, allows full control of light levels within the space.
