

JUSBAR

DUAL LINEAR + SPOTLIGHT

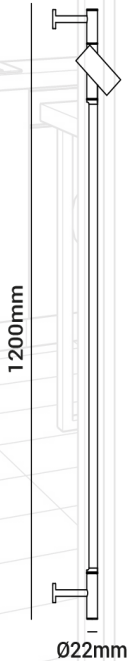

The Jusbar brings excitement, comfort and adapts seamlessly it can stand alone as a simple feature or paired in groups.

Characterised by unique dual light design, the main linear light is designed to provide wonderful reflected light off the wall. This section can be rotated left or right for wall washing capabilities. The 15 degree beam of the spot light is designed to provide a discreet pool of light to the side of the ambient light section.

Mounted vertically or horizontally, its a unique art piece that will bring a touch of luxury and design to any space.
