

LIGNE

120 MODERN LOW GLARE LINEAR

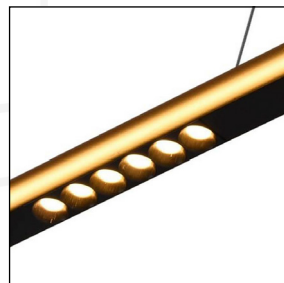

The Ligne, French for 'line' brings excitement, comfort and adapts seamlessly to the geometry of any domestic or commercial space providing a luxury low glare lighting design.

Characterised by its ultra modern slender design, with recessed COB modules set in groups. It's design to only provide light where its needed, allowing premium features like island benches dining tables or work stations to be elevated.

Available in 3 colours, black, white and gold, allowing it to blend in, contrast or compliment existing elements within a space.
