

MYSA

600 LUXE HALO PENDANT

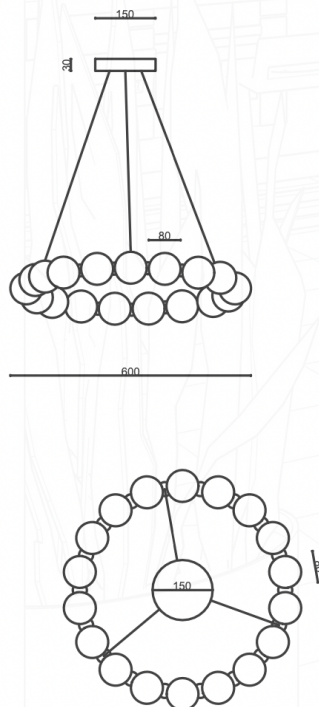

The circle, a shape that has carried on with humanity through millennia, often functioning as a simple motif for timeless silhouettes. A cohesiveness exists in the repetition of forms, through its circular 80mm opal shades and its general framework.

The Mysa provides minimalist contemporary lighting fit for residential and commercial settings. Available in sizes ranging from 330-1000mm, with various accent colours and suspension options available.
