

VITTSKEN

MODERN PRISMATIC PENDANT

The Vittsken brings sleek organic modernity to any space. With a simple minimalist profile, this pendant light suits narrow and wide spaces alike. It can be hung individually or in groups to suit any need.

The narrow style of this pendant makes it ideal for hanging in narrow spaces or close to walls. Combined with premium SMD LED, its a perfect low key statement that can bring a touch of light, or stay discreetly hidden amongst the modern architecture.
