

Kimonos

Eye-catching, flattering, and attractive. Guaranteed to turn heads.

New for 2020, our promotional kimono is an inspiring, high quality, eco-friendly garment that is perfect for showcasing a unique logo design - a "promono" if you will! Not your average promotional product, this lightweight kimono is flowy, confidence inspiring, and will surely help clients think outside the box. Our favorite uses so far are hotel and resort gift baskets, cruise attire, trade show apparel, and festival branding.
