PRICE	\$15	\$12	\$11	\$10	\$8.50	\$7

Description

- Made in USA
- Full-color sublimation
- 12" x 12"
- Single-sided
- Finely finished with a pearled edge
- Fabric: Recycled polyester twill

Details

The pearled edge on our pocket squares is heavy threading that prevents fraying, helps provide structure, and adds a complementary accent color.

We cannot accommodate specific color pearled edge requests for orders below 50 pocket squares.

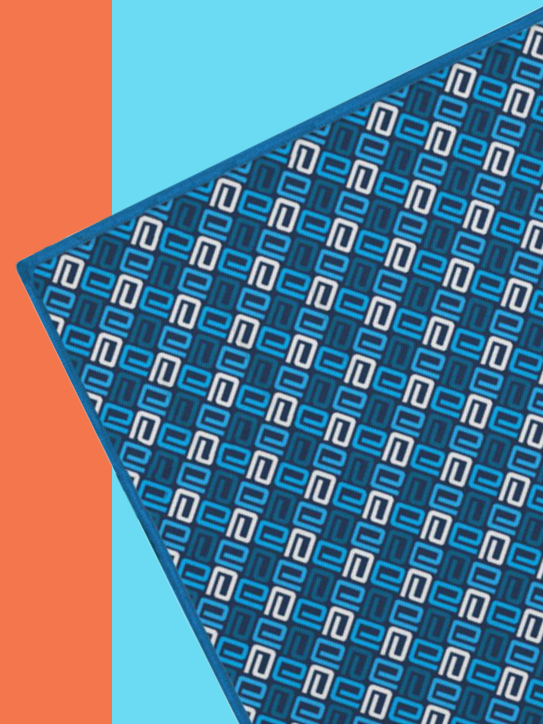

Due to limited thread color options, we cannot PMS match pearled edge thread, but can find the closest approximate match.

Design Tips

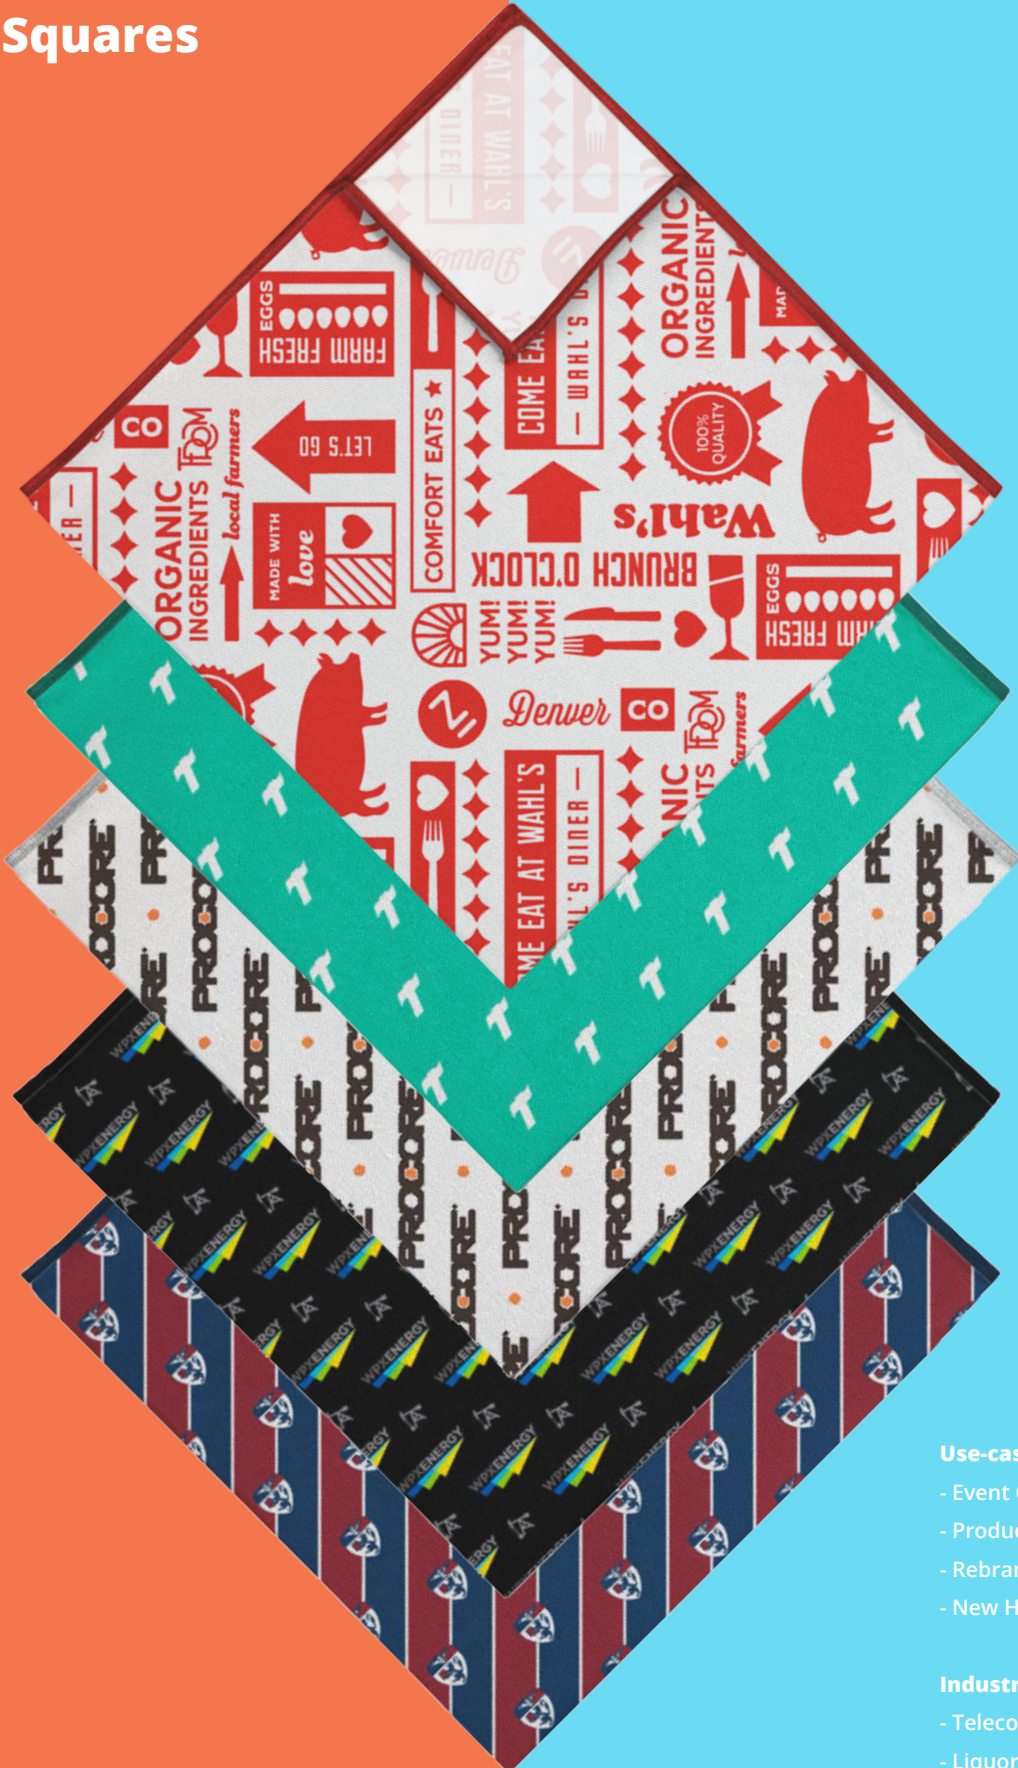

Artwork for pocket squares can be prepared on artboards sized to the finished dimensions plus an additional inch on all sides to account for the bleed and trim.

No physical tags can be affixed to our pocket squares at this time. Printed tags can be added to your design at no extra cost.

We advise against including borders in artwork for pocket squares due to variations in the finished edge on these products.
