Default Woven Tags

Due to our commitment to our social mission, our ties come with subtle Knotty Tie Co-branding in the form of a tag. The tag is woven and serves as the tail loop on the back of the tie.

Generic woven "Made in USA" tags are available in place of our branded tags.

All quantities - net \$1 per tie

Custom Woven Tags

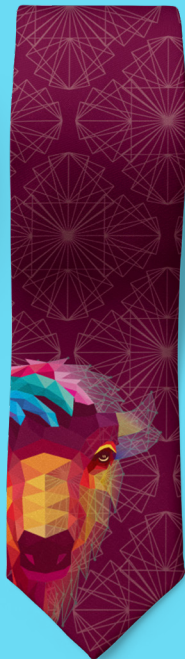

Custom woven tags are also available with your logo. Logo and art modifications for custom tags may be necessary but will be communicated. Multiple logo colors are possible. Single color backgrounds only. We cannot match Pantones or exact HEX colors on tags, but are happy to work with you to get it as close as possible.
