## INSTRUCTIONS

**Important: Any work with scissors or craft knife must be carried out by an adult or under adult supervision**

- We recommend you print this document onto thick paper/thin card (200 gsm is best). If possible click "fit to page" in your print dialogue box.

- Following the green dotted lines, cut out all the envelopes.

- Score along the grey dotted lines.

- Apply glue to the 2 tabs, fold and stick.

- Hang some string on a fireplace or wall and hook the envelopes over or use paper clips/pegs to fasten in place.

- If you would like to write a message in each envelope, you can cut out our notelet templates on the last page.

- Some ideas of what to put in the envelopes

- Use the notes to describe a hiding place for a treat: Eg: "look under the sofa!"

- Put a coin **in** each envelope each day (a great way to save up for a present or to collect for a good cause)

- Use the notes for a daily Christmas themed quiz; "Name 4 reindeer!" "Sing 3 carols"

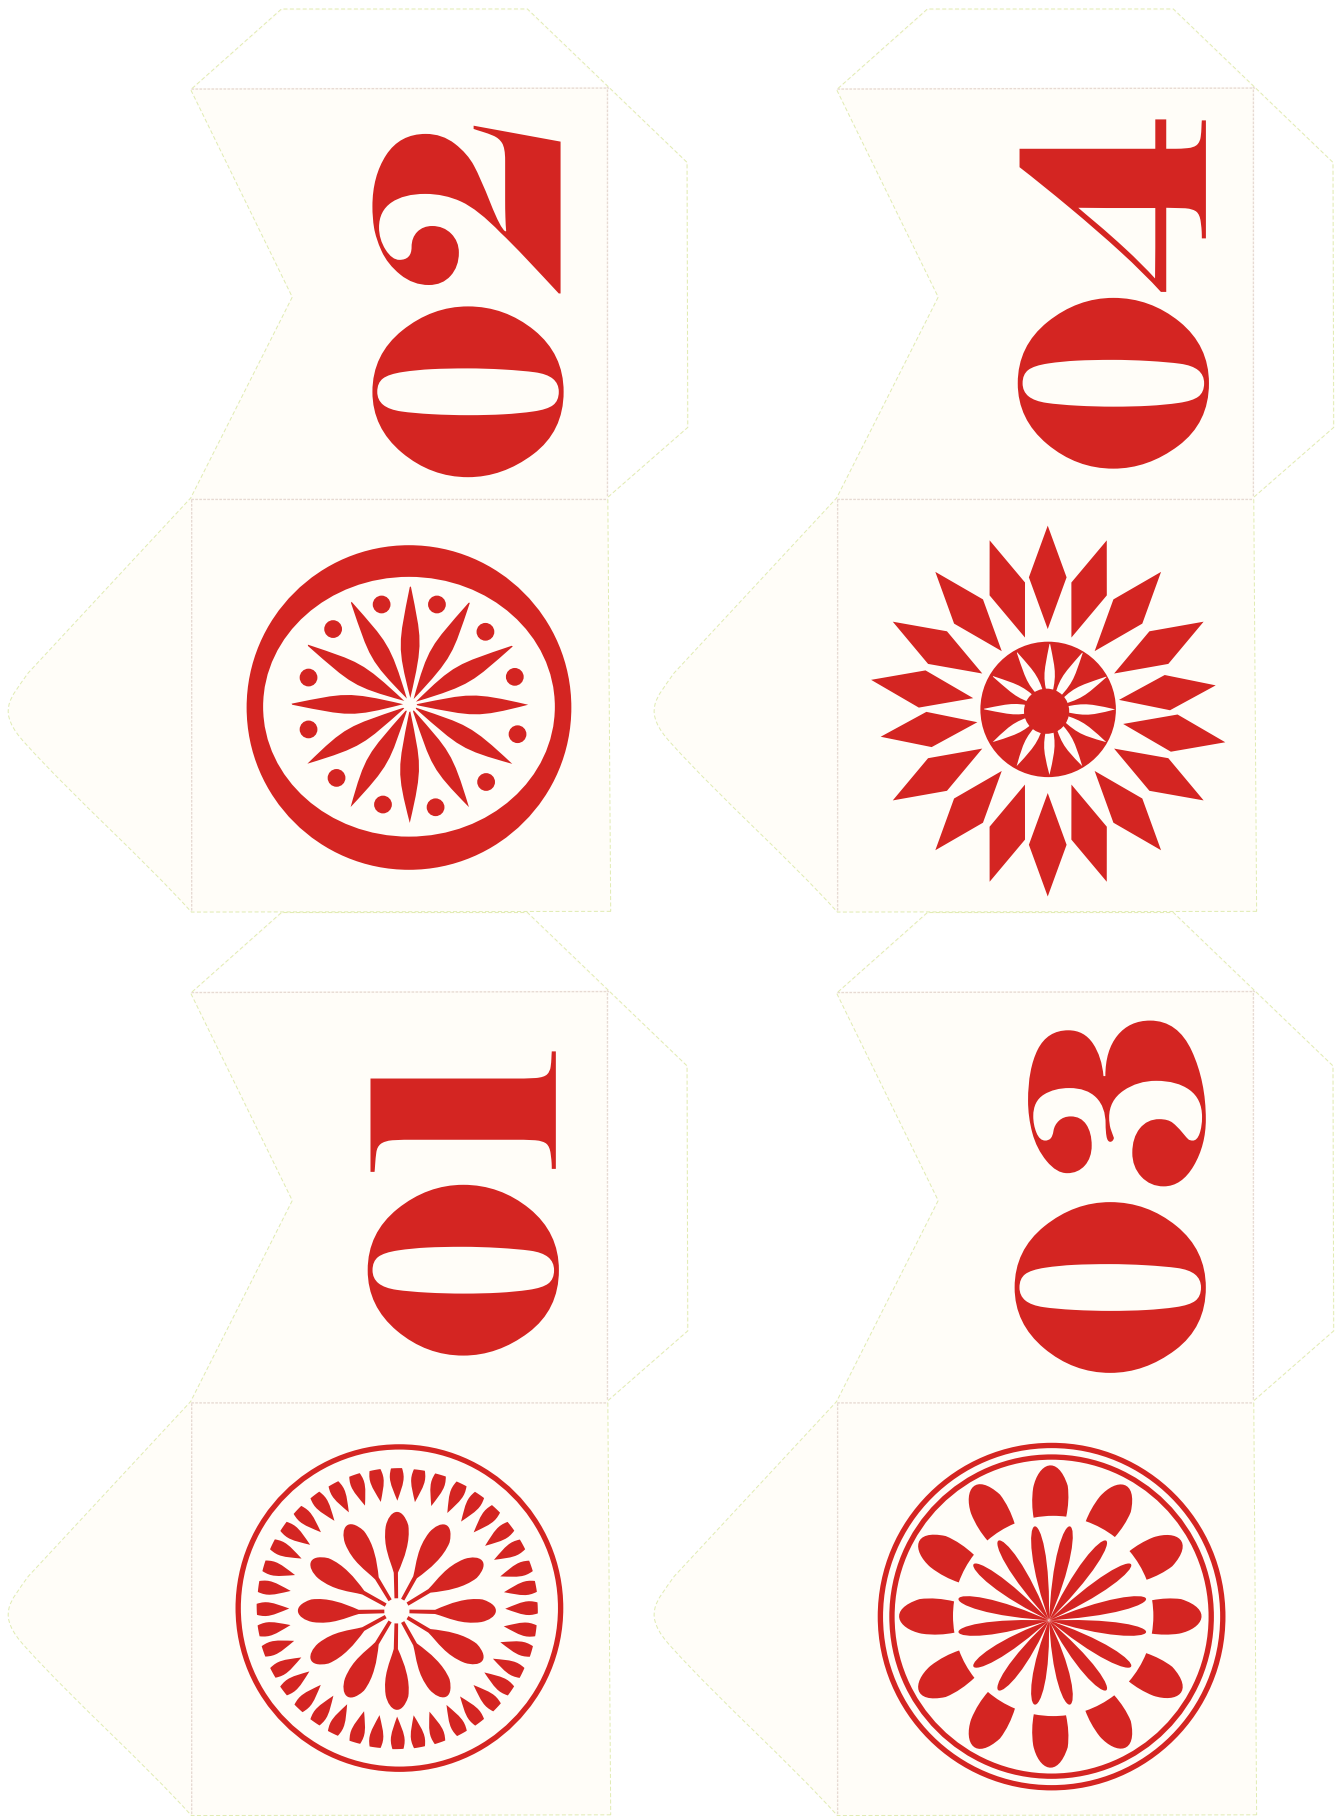

- Put in stickers, chocolate coins, jelly beans, hairclips, smarties and so on...

- Last of all..... Have a Happy Christmas!
