

FIESTA CELEBRATION 2019

Mercado Global's Annual *¡Fiesta! Celebration* is the organization's premier Silicon Valley fundraising event. It brings together business leaders, philanthropists, and strategic partners to support Mercado Global's work fighting poverty and empowering women in rural Latin America.

This year, guests will join us the week of *Cinco de Mayo* for a night of curated Latin-themed chef's tables and cocktails. Guests will enjoy an evening of inspiration and action that celebrates Mercado Global's mission to strengthen communities of women, weaving savings and loan support, education, and market access into a program that fosters financial independence to overcome poverty in rural Latin America.
