BPA's education programs are committed to building on student strengths, teaching new skills, and providing a positive, safe environment where students of any age can grow both artistically and personally, all while having fun. BPA employs a talented cadre of Teaching Artists that are eager to generate a positive impact in each student's educational and theatrical experience. By providing a non-judgmental, positive, and supportive environment, BPA Theatre School helps children tap into their own creativity and respect that of others! For information on how you can participate, contact **Liz Ellis** at eellis@bainbridgeperformingarts.org or 206.842.4560 x3.
