Marci Small Vase

1200-0410

Overall: 9.75"h x 9.75"dia

Finish: White/Sage Green

Materials: Ceramic

Item Weight: 6 lb

Made of ceramic with white and sage green glazes, our Marci Small Vase is a texturally rich decorative accent. Illustrating the skill of our artisans is the fact that the surface of this green vase makes the decorative vessel seem as if it has existed for centuries. Achieving this feeling of age with a new product is one of the challenges we ask our artisans to achieve. The Marci also comes in a large size.
