Suggested Bulb: T Tubular

Socket Type: E26

Watts per Socket / Item: 60 / 60

Sasha Bikoff says her Miami Beach Wall Sconce was inspired by a 1980s Miami Vice vibe: "I keyed in on the colors, the nature, and the Deco revival architecture that is unique to the South Florida locale." The curvy pink sconce is made of wrought iron with a blush pink border that defines its Art Deco style. We offer several different fixtures in this family of products.
