

String Lights, Round (12 m) - Specification Sheet by Michael Anastassiades, 2014

Mounting Ceiling Pendant

Lamp (Bulb) Description 1 LED ARRAY 2700K 1354lm CRI93 - 26W

Environment Indoor - Dry Location

Finish Black

Technical and Product Description STRING LIGHTS suspension lamp providing diffused light. Matt black varnished die-cast aluminum body coated with clear soft-touch varnish. Optical diffuser in opal PC. Suspension system of 12 or 22 meters with Kevlar reinforced coaxial cable (the fixture should be relaxed and then re-tightened 24-hours after installation).

> **NOTE:** Please connect the String Lights to an on/off switch. Dimming capability is only possible for electronics with optical mechanism and can be operated either with our app or by using the sensor on the luminaire.

> This item requires the separate purchase of either a wall/ceiling connection CANOPY or BASE power supply with floor switch. Please select the appropriate Model/Color combination when making your purchase.

> Please inquire for further details with customer service for installation guidance and refer to the Installation Guide. You can also watch the installation video here.
