Item Weight: 9 lb

Number of Lights: 1

Suggested Bulb: A Standard

Socket Type: E26

Watts per Socket / Item: 150/150

Our Aphelion Table Lamp has a lightness of bearing that makes its name stunningly appropriate, as the meaning of the word is the point at which a planet is furthest from its sun. Made of glass with hardware in a polished nickel finish, the Aphelion seems to float on its curvaceous body. This glass table lamp is topped with a black shantung shade.
