Bon Jour - Specification Sheet
by Philippe Starck, 2015

Mounting	Table Top
Lamp (Bulb) Description	2700K 811lm CRI90 13W
Environment	Indoor - Dry Location
Finish	Matt Chrome
Technical and Product Description	Using revolutionary Edge Lighting Technology, the Bon Jour combines maximum performance and efficiency with visual comfort. Users are able to effortlessly control the intensity of the direct light with just one click.
	This sleek and pure light can be customized according to personal tastes and styles by dressing it with a chrome, copper or matte white metallic plastic hat that incorporates the LED light source, and a shade available in multiple finishes and materials: amber colored injection molded plastic, which simulates the spirit of the ground glass of times past, or transparent yellow, in a more contemporary high tech style, or classic pleated fabric, or natural raffia.
	Inspiration behind the design:
	Bon Jour is a consistent collection of light, exploring the timeless elegance of high-technology dematerialization combined with the freedom of expressing your own creativity. Philippe Starck
