Finish: Antique Nickel/Matte Black/Mirror

Materials: Cast Aluminum/Glass

Availability: as of 4/27/2021 7:18:06 PM

Item Weight: 17 lb

A study in contrasts, the Calum Silver Square Mirror is made of cast aluminum. The striated half of the black and silver mirror, in an antique nickel finish, contrasts the half of the mirror in a matte black finish. Combined, the two halves make a handsome whole.
