

ModernRail Chandelier 2 LED

DESCRIPTION

The Aged Brass ModernRail Chandelier by Tech Lighting is uniquely different in that it offers a modern take on the classic low-voltage rail system. This Aged Brass ModernRail Chandelier adds depth and height to what was historically a linear design and can be customized with either frosted opal glass orbs or sleek contemporary cylinders. Scaling at 48" in length this grand chandelier is ideal for dining rooms, living rooms and home office spaces. The integrated LED globes or cylinders are fully dimmable to create the desired ambiance in your unique space. With its classic Aged Brass finish and uniquely crafted design the ModernRail Chandelier is sure to add a touch of sophistication to any space. Each kit comes complete with everything needed to install the ModernRail system. Ships with (12) 6 up/down & 6 horizontal 24 volt 3 watt, 2023.5 total delivered lumens, 3000K, integrated LED modules. Dimmable with most LED compatible ELV and TRIAC dimmers. Ships with 78" of field cuttable aircraft cable, (2) 6" stems and (4) 12" stems in coordinating finish. Remote Power Supply version T24. Can be installed on a sloped ceiling up to 45°.
