

## Concept7 Carbon Fiber Grand Sport Fender Gill Applique's P/N NAD-CFFGA Installation Instructions

1. Carefully inspect carbon fiber fender gill applique's
2. Test fit pieces over existing fender gills
3. Carefully scuff gill surface with 150 grit sandpaper to insure proper bonding (you will need to get from auto part store 2 part epoxy adhesive)
4. After surface is prepped clean scuffed surface with thinner or wax and grease remover.
5. Place a liberal amount of epoxy on the back side of the carbon fiber supplied parts making sure that you don't get it to close to the edge so that the glue doesn't squeeze out.
6. Follow all above instructions for opposite side
