The Posi-Pour™ Portion Control Pourer

Constant price increases, higher liquor taxes, more competition, and tougher drunk driving laws make liquor portion control essential to your success. Magnuson Incorporated is the world's established leader in portion control pourer design, manufacture and innovation. Our Posi-Pour™ delivers an accurate portion with each shot poured quickly, easily, and without offending customers.

Continuously improved and enhanced since our original design in 1976, the Posi-Pour™ is available in 4 models, 11 portion sizes, and 7 color combinations.

Dust Caps and Oversized Corks

All Posi-Pour 2000s and Liquor Saver 2000s are available with Dust Caps and Oversized Corks. **Dust Caps** keep dust and other foreign materials out of your liquor. **Oversized Corks** fit liquor bottles with unusually large necks, and also fit most 1.75 liter and half gallon bottles.

Choose the right cork size to fit all of your bottles and protect your inventory!

Standard

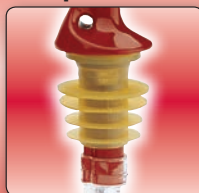

White cork fits all standard liters and quarts.

Oversized

Red cork fits most 1.75, half gallons, and over-sized quarts and liters.

Super Sized

Amber cork fits unusually large necked bottles (i.e. Cuervo 1800).

Maximum Sized

Maximum Blue is the largest size made, available on Liquor Saver models only.

Dust Cap

Dust caps are now required by many Health Departments.
