

ROYAL VICTORIAN AERO CLUB

REFUNDS Policy & Procedure

1. Policy

This policy/procedure provides all staff and students information on the ability to apply for a refund of tuition fees in certain circumstances.

This refund policy applies to all students, including International enrolments, and those who are entitled to VET Student Loan assistance, even if they choose not to access it.

All refund information is made available to students through the enrolment process and is included on the 'Enrolment Form' which the student signs prior to acceptance into a course of study with the Royal Victorian Aero Club and money accepted from a student.

Domestic Students

RVAC is a member of the Australian Council for Private Education & Training (ACPET) Tuition Assurance Scheme. This Assurance provides for Tuition Fee arrangements should RVAC cease to provide a VET course of study for Domestic Students. (Refer to 'Statement of VET Tuition Assurance').

Royal Victorian Aero Club (RVAC) will repay to a student who is, or would be entitled to VET Student Loan assistance, any Vet tuition fees that he or she may have paid for a VET Unit of Study if the student withdraws from that unit on or before the relevant census date.

Where a student withdraws from a VET unit of study after the relevant census date any refund of VET tuition fees is at the discretion on RVAC. (Refer to 'Student Review Requirements & Re Crediting a FEE HELP / VET Student Loan Balance' Policy & Procedure).

International Students

It is important to note that if DIBP refuses to issue a visa to a student, for whatever reason, any written agreement between the student and an education provider no longer remains in force. DIBP will write to you to say your visa has been refused. You must give a copy of this notice to RVAC. The ESOS Act allows RVAC to keep some money to cover administration expenses. There is no refund of an application / enrolment fee if a student visa application is refused by the DIBP.

For registration on the 'Commonwealth Register of Institutions and Course for Overseas Students' RVAC is a member of an Australian Government Tuition Protection Service (TPS). In the event of RVAC default, the TPS will attempt to locate the student in another school which is registered to provide a similar course. If that is not possible, the TPS will refund the student fees.

2. Procedure

The following procedures ensure all students are treated fairly and with integrity when applying for refunds. All refund applications are to be submitted to Student Administration and the following procedures followed in assessing the application.

2.1 All 'refunds' are to be signed off by the Accountant and applications processed within Fourteen (14) days of the application being placed.

2.2 *Refunds due to non delivery of course by RTO*

Tuition fees to be refunded in full if:

- The course does not start on the agreed starting date
- The course stops being provided after it starts and before it is completed

Refunds under the above conditions will be paid in full to the student within 14 days.

The RTO may arrange for another course, or part of a course, to be provided to students at no (extra) cost to the student as an alternative to refunding course money. Where the student agrees to this arrangement, the RTO will not be liable to refund the money owed for the original enrolment.

2.3 *Refunds based upon student application*

All applications for refund must be made in writing by way of the 'Application for Refund' form (Appendix A) and submitted to Student Administration.

Please note where the student breaches the Royal Victorian Aero Club Policies and Procedures no refund is payable. Where a student withdraws from the course without extenuating circumstances only a partial refund is payable.

Where evidence can be successfully provided to support the student's circumstances, course fees may either be transferred to the next available course where applicable, or a refund of unused course fees will be issued. This decision of assessing the extenuating circumstances rests with the CEO and shall be assessed on a case by case situation.

2.4 Appealing Refund decisions

- All students have the right to appeal a refund decision made by the RTO. Student wishing to access the Complaints and Appeals Procedure from the RTO should contact Student Administrations Department.
- This policy and the availability of complaints and appeals processes, does not remove your right to take action under Australia's consumer protection laws.
- The RTO's dispute resolution processes do not remove the student's right to pursue other legal remedies where they feel necessary.

2.5 Further information

- If fees have been paid by a third party then refunds will be payable to that third party.
- Any information that you provide to RTO or that the RTO collects about you (including payments and refunds) can be given to authorised State and Commonwealth Agencies.
