Instructions

You will also need a toothpick for this project.

1. Please watch our video: How to Use the Wrap It Loom Professional Series Duo. In this video you will see how to set up your loom and how to prepare your long and griffin silk cords for your bracelet.
2. Once you have your loom set up, you will add the beads in an alternating pattern. Begin by using one seed bead, followed by a row of one cube bead, then one row of two seed beads. Then to build it up do two rows of bugle beads.
3. From there alternate the rows of the following examples: one bugle bead, two cube beads, and four seed beads. Use your own pattern to get a fun result. (See photo for example)
4. Finish the bracelet as seen in the video.
