Project E2148

Kat Silvia

Instructions

By following the instructions below you will make one earring. Repeat all instructions to make the second earring.

1. String one baroque bead on to one head pin. Make a simple wire loop. Set this aside.

2. Take one eye pin and string on one bicone bead, one bead aligner, one BeCharmed Pearl, one bead aligner, and one bicone bead. Make a simple wire loop.
3. Open the simple loop, same as you would a jump ring, of the baroque bead and attach it to one loop of the eye pin attached to the pearl bead. Move to the other side of the eye pin and attach it to the loop of the earring finding.
