Instructions

By following the instructions below, you will make one earring. Repeat all instructions to make the second earring.

1. Cut 5 of your necklace extenders so that they are 12 chain links long each.
2. Open and attach a jump ring to the end chain link on one of the above necklace extenders. Before closing this jump ring, also link it to one of the side loops on your Beadelle Crystal flat disk. Close the link.
3. Repeat the previous step with your 4 other chain extenders.
4. Open the loop at the base of your earring finding and connect it to the top loop on your Beadelle Crystal flat disk. Close the earring loop back up.
5. Have fun wearing these earrings!
