Instructions:

1. Place a 25mm clear glass cabochon onto your collage sheet and decide what image you will use and how it will fit into the cabochon.
2. Place a small amount of Diamond Glaze onto the flat side of the cabochon and press it down onto the image, pressing out all of the air. Allow to dry, then trim around the cabochon with scissors.
3. Spread a thin layer of Diamond Glaze onto the back of the image and press it into an antique brass bezel cup. Allow to dry.
4. Spread a thin layer of E6000 glue onto the glue pad of an antique brass double band headband and press the bezel cup into place. Allow to dry thoroughly before wearing.
