Instructions

1. To see how to complete this project from start to finish, please watch our video: How to Use a Beading Board to Make a Strung Necklace from Start to Finish. In this video you will see how you can use a strand of mixed gemstones and wood beads to make a strung necklace on a beading board. The beading board helps you to space out and plan your design before you begin stringing so that you get the perfect design to suit your style.
