Instructions

The pendant of this necklace is made using the designated size 11 configuration on the Ring Weaver Tool. The size is approximate and will be influenced by the size of your weaving material.

1. Please watch the video: How to Use the Ring Weaver Tool by Beadalon. Follow along with the video to assemble your Ring Weaver Tool, placing your pegs in the holes designated for a size 11 ring.
2. Use flush cutters to cut 40 inches of 24 gauge gold craft wire and load it onto the Ring Weaver Tool as shown in the video. Follow along with the video to create a 3 layer hoop.
3. Please watch the video: How to Add beads to a Wire Woven Ring. Follow along with the video to weave beads onto your hoop and attach the pendant to a finished chain. Enjoy your necklace!
