Ehlers Estate 2013 1886 Cabernet Sauvignon Retail - \$ 120.00

In our endless pursuit of "wine perfection" for our Club 70 members, we came across this wine that is just simply special in every way. From the bottle design, capsule and name 1886, it belongs on your dining room table to be shared with friends.

A full bodied, complex Cabernet Sauvignon built to last. Ripe summer blackberries, sweet leathery tannins, black plums, dark Valrhona Chocolate, vanilla bean and notes of cinnamon. Layers and layers of smooth, deep fruit flavors just go on and on . . .

Castalia 2015 Rochioli Vineyard Pinot Noir Retail - \$ 65.00

This one had Club 70 written all over it! Rare, exclusive and absolutely stunning. This wine was just released and I bought all that I could.

The Cellar Master at Rochioli Vineyards (Terry Bering) is the only one who could have pulled this off. 100% Rochioli fruit, 25% new French Oak barrels and his Pinot Noir mastery created this beauty.

Drink now through 2022 and experience the intense cherry, earth and Cola. There is a mouth filling, clean Burgundian flavor that can be perceived from the tip of the tongue to the long lingering finish. Enjoy!

The Rochioli Single Vineyard Pinot Noirs have sold here at Joseph George for over \$125 consistently. The wine you have here is every bit as wonderful.
