Eighty Four 2009 Petite Sirah Retail - \$ 75.00

Doug Shafer & Elias Fernandez started making wine together in 1984. This is a wonderful and unique project that is very different than anything I have seen. The wine was aged 40 months in 100% new French oak . . . unheard of. The wine is rich, dark and just massive. You can drink it now if you decant it or you can drink it over the next 20+ years. We at Joseph George are so proud to be among the very few that got some of this wine. All of my allocation will go to you, our wonderful Club 70 members.

Bella Union 2012 Cabernet Sauvignon Retail - \$ 95.00

Far Niente and Nickel & Nickel are some of the most coveted wines we have in the store . . . Bella Union represents a new chapter in their history. While Far Niente and Nickel & Nickel are very vineyard & varietal specific . . . Bella Union is the true "art of the blend." Cabernet from Oakville, Howell Mountain, Stag's Leap, Rutherford & St. Helena are masterfully blended to create this gorgeous wine. This wine is officially "sold out" . . . We purchased every bottle we could to treat our Club 70 members. You are experiencing the very first of many great Cabernet's to come from Bella Union.

Happy Holidays

Bert
