Session 1: Hating & Killing the Dragon

Summary:

The necessary first step in the war against pornography is to hate the sin. Too many men are embarrassed and ashamed of giving in, instead of seeing it as a grievous offense against God. Pornography emasculates men, destroys women, and kills babies. The only solution is dying to this sin, no matter the cost.

Highlight:

“The Christian life is a life of battle, a war. But far too many men do not take this seriously. They think the armor of God is a nice metaphor, a picture of
