

Universal Flange Adaptor

Flanged **PN16**, Cast Iron Epoxy Coated Body, EPDM Seals, Assembled from LV9740
 Constructed from WRAS Approved Components

Pressure / Temperature Specifications

| | |
|-------------|-------------|
| Pressure | PN10/16 |
| Temperature | 0°C to 60°C |

Material Specifications

| | |
|--------|---------------------------|
| Body | Ductile Iron EN GJS-500-7 |
| Bolts | Steel |
| Gasket | EPDM |

Dimensions

| DN | Di Min | Di Max | L1 | L2 | Kg |
